

Interfaith Vigil For A Just & Moral Budget

All religions believe in justice.

Budgets are not just about dollars and cents. A budget is a **moral document** with statements of priorities and values. Wisconsin's working families deserve a budget based upon **fairness and justice**. We are calling upon politicians to make **moral choices** recognizing the universal obligation for **social and economic justice**.

Join us for an interfaith event to call for a just and moral budget. Clergy from a diverse array of faith traditions will lead an assembly followed by a candlelight vigil.

**Thursday, June 2nd
7:00 PM Assembly
Candlelight Vigil to Follow
Capitol Square - State Street**
